

# USING GRAB IN SOUTH EAST ASIA

Wondering how to get around without the hassle of scooters, taxis and who knows what?

Allow us to introduce you to **Grab!**

If you are new to **Grab**,  
click on the link ->  
and follow the instructions below

## 1 - CREATE YOUR GRAB ACCOUNT

- To get a first ride discount, use the link above
- Register with Grab and create your account using your mobile number, Facebook or Google details
- Complete the verification process
- Download the Grab app and verify your account details on your mobile

Congrats! You're good to go!

## 2 - USING THE GRAB APP

- Enter your pick up address or drop the pin on the map for your location (not all addresses are on the Grab map so you might have to choose an option close by)
- Enter your destination address or drop the pin on the map for the location

- Select your payment option (pay cash or upload your credit card details to your account - your choice)
- Select the time you want to be picked up
- Enter/select the discount code you want to use
- Select your ride option (scooter, car, 7-seater, etc.)
- Hit **BOOK**
- **Grab** will send you the driver's name, vehicle make/model and registration number
- Track your ride on the app and don't forget to rate it when you're done!

### TIP!

Don't ignore notifications and emails from **Grab** even if they are in a different language as they often contain discount codes. YAY!
